We are bringing the Tall Ship *S/V Denis Sullivan* back to the Keweenaw this summer!

Your business or organization can sponsor this event which supports our mission as ***a community partner protecting land, water and quality of life through conservation stewardship and education.***

Our sponsorship levels come in \$100 increments. As a special thank you for each \$100 contributed we are offering one complimentary pass for a June 26<sup>th</sup> evening sail on Portage Lake aboard this 3-masted Great Lakes schooner: Wisconsin's flagship – the *S/V Denis Sullivan*. This might be a special way to thank your employees, partners or colleagues while supporting a good cause.

**Maybe you'd like to take an even more generous step and donate a complimentary pass back so that a disadvantaged youth can experience this once in a lifetime opportunity.** In cooperation with the **Big Brother-Big Sister** program, the KLT will arrange for young people to participate. Sailing aboard a schooner is not only a **fun adventure** but also educational – these vessels and the Copper Country played an important role in the maritime history of the Great Lakes and our nation's industrial revolution.
